David Nixon has more than 25 years of working as a consultant, strategist, change manager and senior executive within several high profile organisations. He has made a name for himself as a dynamic and motivational business change leader across a variety of businesses including utilities, councils, government authorities, not for profits and multinational corporations. He operates his own business called 'Better Managed'.

His engineering background, business & project management experience, change management and governance acumen provide an exceptional viewpoint of industry.

David has extensive experience in change and project management. He has been involved in board & governance, business operations, strategy and planning; benefits realisation; information management; process improvement; organisational change; business analysis; project and portfolio management and infrastructure provision & operation.

David has had direct responsibility for the delivery of numerous infrastructure projects in several organisations including individual projects up to \$1.3B in value.

He has an exceptional understanding of governance, management, productivity, earned value and trouble shooting of businesses and projects. He is fuelled by a passion for improving business excellence in all he is involved with.
